RE: Annual Report – Fiscal Year 2011
Intergovernmental Law Enforcement Officers In-Service
Training Act – Mobile Team Unit Operations

I am pleased to issue this Annual Report on the operations of the Mobile Team Training Units in Fiscal Year 2011. The Annual Report provides summary data and information related to both the funding and operational activities of the 16 established Mobile Team Units from July 1, 2010 through June 30, 2011.

With the establishment of the Mobile Team Training Units in the early 1980's, pursuant to Public Act 82-674, the State of Illinois effectively created a law enforcement training network that is recognized throughout the nation as being "state of the art." It is a training system that provides local and state law enforcement agencies and their 45,000 plus personnel with contemporary instruction on virtually every topic related to their complex public safety function. The result is that the State of Illinois and its citizenry enjoy the very best in law enforcement protection. This Annual Report provides evidence of the continued effectiveness and productivity of the Mobile Team Training Units.

This annual report is respectfully submitted to Governor Pat Quinn and to each member of the Illinois General Assembly. The report provides a summary of Mobile Team Unit appropriations and activities for Fiscal Year 2011 (July 1, 2010 through June 30, 2011). The Mobile Team Units are created, funded and operated through authorization given in Public Act 82-674. This report serves to meet the requirement of Public Act 82-674, Section 6, which directs that such report be submitted annually for review by the Governor and General Assembly.

ANNUAL REPORT **INTERGOVERNMENTAL LAW ENFORCEMENT OFFICERS IN-SERVICE TRAINING ACT FISCAL YEAR 2011**

Mobile Team Unit Funding in Fiscal Year 2011

The Illinois Law Enforcement Training and Standards Board awarded state funds totaling \$4,485,535.22 to 16 Mobile Team Training Units in Fiscal Year 2011, under the authority of the Intergovernmental Law Enforcement Officers In-Service Training Act (Public Act 82-674). In addition, the Board awarded \$872,519.75 in state and federal grant funds to the Mobile Team Units for specialized training related to the police functions of traffic enforcement, homeland security, death investigation and hazardous materials. In total, the Mobile Team Units expended \$5,358,054.97 in state and federal funds. This amount was augmented by expended local funds and tuition totaling \$2,450,750.96. For Fiscal Year 2011 the 16 Mobile Team Units collectively expended \$7,808,805.93 in federal, state, and local funds. Illustration #1 provides a map and address directory for each of the Mobile Team Units established and funded by the State of Illinois through the Intergovernmental Law Enforcement Officers In-Service Training Act. Historically and for governmental purposes, the State of Illinois established the Mobile Team Unit (MTU) regional boundaries as required by Public Act 82-674. The concept of boundaries helps to map and to define the geographic areas known as Mobile Team Units that currently exist today. However, officers have the flexibility to attend training opportunities throughout the state and area not restricted to the defined boundaries in order to reach the educational pinnacle necessary to become an effective officer. Illustrations #2 and #3 give a complete summary of funding provided to the Mobile Team Units in Fiscal Year 2011.

Mobile Team Unit Productivity in Fiscal Year 2011

The Mobile Team Training Units were extremely productive in Fiscal Year 2011. Collectively, the Mobile Teams conducted 29,703 hours of instruction at various sites and locations throughout the state. A total of 48,701 law enforcement officers and criminal justice professionals participated in courses offered by the Mobile Team Units. Combined participating local, state, and federal law enforcement agencies throughout the state committed 502,712 man-hours to training conducted by the Mobile Team Units. This high level of Mobile Team Unit training activity provides convincing evidence of their continued value and acceptance by the state law enforcement community. Illustration #4 provides a summary, by Mobile Team Unit and in total, of program activity/productivity in Fiscal Year 2011.

Mobile Team Unit Cost Effectiveness in Fiscal Year 2011

The delivery of training through the 16 Mobile Team Units continues to be justified by measures of efficiency and cost effectiveness. In Fiscal Year 2011, the Mobile Team Units provided a high volume of training at a cost of \$262.90 per instructional hour; the cost per trainee was \$160.34; and the cost per training man-hour was \$14.05 (based on federal, state and local funds received). Considering the volume of training delivered, the cost effectiveness ratio seems to be well within acceptable parameters. Illustration #5 provides a breakdown of Mobile Team Unit training cost effectiveness data for Fiscal Year 2011.

In addition, The Board and the Mobile Team Units conducted Mandatory Firearms Training Courses for law enforcement officers throughout the State consistent with mandatory provisions of the Illinois Peace Officer Firearm Training Act (P.A. 86-1324). The Mobile Team Units offered 52 Mandatory Firearms courses to 384 officers. Illustration #6 provides a summary of courses offered and total officers trained in Mandatory Firearms. Mobile Team Unit and Academy firearms ranges are inspected for safety and Board standards by qualified Board range staff each fiscal year. During Fiscal Year 2011 Board staff inspected 49 ranges. Each completed range inspection has a written report on file at the Board office.

Ten Year Review of Mobile Team Unit Operations

Illustration #7 provides for a ten year (FY2002 – FY2011) review and summary of Mobile Team Unit expenditures, training accomplishments and cost effectiveness. The growth of the Mobile Team Units is reflected in this data.

Current and Future Funding

As detailed previously in this report, the State of Illinois provided funding totaling \$4,485,535.22 to 16 Mobile Team Units, under the provisions of the Intergovernmental Law Enforcement Officers In-Service Training Act in Fiscal Year 2011. Anticipating that adequate state funds are available, the Board would hope to provide the 16 Mobile Team Units with funding totaling \$4,513,652.61 in Fiscal Year 2012 (projected).

Illustration #8 provides a summary, by Mobile Team Unit and in total, of state funding awarded under the Intergovernmental Law Enforcement Officers In-Service Training Act for Fiscal Year 2011 (actual) and Fiscal Year 2012 (projected).

Summary

Through the efforts of Governor Pat Quinn, the Illinois General Assembly and the Illinois Law Enforcement Training and Standards Board, state and local law enforcement officers are provided an opportunity to attend “professional development” and “in-service” training programs throughout their careers. The result is that the State of Illinois and its citizenry are afforded the very best in public protection. State of Illinois residents are protected by professionally trained, competent men and women, who recognize their responsibility to maintain top job performance. The Mobile Team Units provide a valuable function, as is evidenced by this report – they allow our law enforcement officers to be the best they can be.

Finally, and significantly, this innovative law enforcement training delivery system is funded with monies collected through the Traffic and Criminal Conviction Surcharge Fund. As such, no state General Revenue Funds are requested, appropriated and/or expended on the Mobile Team Units.
