

**CRISIS INTERVENTION TEAM (CIT) AND OTHER MENTAL HEALTH  
AWARENESS RELATED TRAINING OPPORTUNITIES**

*(\*\*updated September 12, 2019\*\*)*

Since 2003, the Illinois Law Enforcement Training and Standards Board (ILETSB) has provided state-certified Crisis Intervention Team (CIT) training to law enforcement officers throughout Illinois. Participants who volunteer for this specialized, one week / 40 hour program receive intensive training on assisting with individuals in the community who have a mental illness or other behavioral disability. To date, the ILETSB has certified over **8,125** officers statewide, from more than **560** agencies in this specialized program.

Not only is ILETSB seeing a steady request for state-certified Crisis Intervention Team (CIT) training, but we are seeing an increase in requests for classes in the CIT series (such as CIT Refresher, CIT Juvenile, CIT Corrections and CIT Dispatch) as well as for mental health awareness training. The CIT and mental health training programs are constantly evolving to tailor for the different needs of officers statewide. If you have any questions regarding these trainings, please contact ILETSB or your local MTU.
