III. UNFINISHED BUSINESS

A. UIS Update

Director Fischer advised that, in spite of our funding issues, he feels that it is important to keep moving ahead on projects that we have been working on over the past months, in particular, the project with University of Illinois at Springfield. He is happy to report that two agreements have been signed with UIS for the 560 BLE curriculum review and necessary updates due to changes in the law, and also rewriting the BCO/Court Security curriculum. As money trickles in, we are still trying to meet our obligations, doing more with less wherever we can.
