

List of Courses for the SRO In-Service/Recertification **Continuing Education Requirements**

last updated October 3, 2023

School Resource Officers who hold the ILETSB SRO Certification must complete the continuing education requirement before submitting the application for renewal. Under this requirement, each SRO must complete at least one update course (3-hour minimum requirement) in the following three areas: Juvenile Law, Officer and Youth Interaction, and Active Threat Response. Also available is the 16-hour ILETSB SRO recertification course that will meet all 3 requirements with this 2-day course.

*The courses listed below are approved to meet these requirements when they are at least three hours in duration. **This list is ever changing, so if you have a question about a course qualifying for recertification credit, please email PTB.SRO@illinois.gov.***
