## MEMORANDUM

**TO:** Governor JB Pritzker  
Members of the Illinois General Assembly

**FROM:** Keith Calloway  
Executive Director

**DATE:** July 20, 2022

**RE:** Annual Report – Fiscal Year 2021  
Intergovernmental Law Enforcement Officers In-Service  
Training Act – Mobile Team Unit Operations

---

I am pleased to issue this Annual Report on the operations of the Mobile Team Training Units in Fiscal Year 2021. The Annual Report provides summary data and information related to both the funding and operational activities of the 13 established Mobile Team Units from July 1, 2020 through June 30, 2021.

With the establishment of the Mobile Team Training Units in the early 1980's, pursuant to Public Act 82-674, the State of Illinois effectively created a law enforcement training network that is recognized throughout the nation as being "state of the art." It is a training system that provides local and state law enforcement agencies and their 40,000 officers and support personnel with contemporary instruction on virtually every topic related to their complex public safety function. The result is that the State of Illinois and its citizenry enjoy the very best in law enforcement protection. This Annual Report provides evidence of the continued effectiveness and productivity of the Mobile Team Training Units and their extremely important role to training officers around the State of Illinois.

Given the new SAFE-T Act legislation and the recent changes our office is experiencing in growth, personnel, and increased training needs; it is my hope, with the continued assistance from the Governor and General Assembly that we are able to forge the path to a future that creates an environment of ***the highest level of professionalism, greatest level of training, with an ideal level of compassion.***

## **ANNUAL REPORT** **INTERGOVERNMENTAL LAW ENFORCEMENT OFFICERS** **IN-SERVICE TRAINING ACT** **FISCAL YEAR 2021**

### *Mobile Team Unit Funding in Fiscal Year 2021*

The Illinois Law Enforcement Training and Standards Board awarded state funds totaling \$3,988,807.70 to 13 Mobile Team Training Units in Fiscal Year 2021, under the authority of the Intergovernmental Law Enforcement Officers In-Service Training Act (Public Act 82-674). In addition, the Board awarded \$390,170.78 for Specialized Training in Crisis Intervention & School Resource Officer Training and an additional \$ 227,675.94 in federal grant funds to the Mobile Team Units for Traffic Safety funding through the U.S. Department of Transportation. In total, the Mobile Team Units were awarded \$4,808,864 in state and federal funds. This amount was augmented by expended local funds and tuition totaling \$3,176,874.00 For Fiscal Year 2021 the 13 Mobile Team Units collectively expended \$8,679,208.71 in federal, state, and local funds. Illustration #1 provides a map and address directory for each of the Mobile Team Units established and funded by the State of Illinois through the Intergovernmental Law Enforcement Officers In-Service Training Act. The concept of boundaries helps to map and to define the geographic areas known as Mobile Team Units that currently exist today. Officers have the flexibility to attend training opportunities throughout the state and are not restricted to the defined boundaries in order to reach the educational pinnacle necessary to become an effective officer. Illustrations #2 and #3 give a complete summary of funding provided to the Mobile Team Units in Fiscal Year 2021.

### *Mobile Team Unit Productivity in Fiscal Year 2021*

The Mobile Team Training Units training activity was negatively impacted by COVID-19 in Fiscal Year 2021. Nonetheless, the Mobile Teams conducted 34,143 hours of instruction at various sites and locations throughout the state. A total of 186,012 registrations were processed for courses tracked by the Mobile Team Units. Law enforcement agencies throughout the state committed 602,871 man-hours to training conducted by the Mobile Team Units. This high level of Mobile Team Unit training activity provides convincing evidence of their continued value and acceptance by the local law enforcement community. Illustration #4 provides a summary, by Mobile Team Unit and in total, of program activity/productivity in Fiscal Year 2021.

### *Mobile Team Unit Cost Effectiveness in Fiscal Year 2021*

The delivery of training through the 13 Mobile Team Units continues to be justified by measures of efficiency and cost effectiveness. In Fiscal Year 2021, the Mobile Team Units provided a high volume of training at a cost of \$348.99 per instructional hour and is sharply increased at nearly seventy dollars; the cost per trainee was \$64.06 and the cost per training man-hour was \$19.76 (based on state and local funds received). Considering the volume of training delivered, the cost effectiveness ratio seems to be well within acceptable parameters. Illustration #5 provides a breakdown of Mobile Team Unit training cost effectiveness data for Fiscal Year 2021.

In addition, The Board and the Mobile Team Units conducted Mandatory Firearms Training Courses for law enforcement officers throughout the State consistent with mandatory provisions of the Illinois Peace Officer Firearm Training Act (P.A. 86-1324). The Mobile Team Units offered 73 Mandatory Firearms courses to 351 officers, a slight increase from FY 20 likely attributable to the ongoing pandemic demands. Illustration #6 provides a summary of courses offered and total officers trained in Mandatory Firearms. Mobile Team Unit and Academy firearms ranges are inspected for safety and Board standards by qualified Board range staff each fiscal year. During Fiscal Year 2021 Board staff inspected all ranges used to conduct Mandatory Firearms Instruction. Each completed range inspection has a written report on file at the Board office.

### *Current and Future Funding*

As detailed previously in this report, the State of Illinois provided funding totaling \$4,808,864.50 to 13 Mobile Team Units through the ASSIST Program, under the provisions of the Intergovernmental Law Enforcement Officers In-Service Training Act in Fiscal Year 2021. Anticipating that adequate state funds are available; the Board would hope to provide 13 Mobile Team Units with funding totaling \$6,177,069.67 in Fiscal Year 2022 (projected) as we move forward in preparing for a tremendous change to our training needs enlight of the SAFE-T Act legislation that will assist Illinois Law Enforcement officers state-wide and allow for the evolution of departments, agencies, communities and the profession to new heights in anticipated new training and the enormous training requirements. We continue to strive for maximum efficiency as Mobile Team Unit 7 has adopted well to the inheritance of MTU 5, thus maintaining 13 Mobile Training Units within the State of Illinois.

Illustration #7 provides a summary, by Mobile Team Unit and in total, of state funding awarded under the Intergovernmental Law Enforcement Officers In-Service Training Act (Public Act 82-674) for Fiscal Year 2021 (actual) and Fiscal Year 2022 (projected).

### *Summary*

Through the efforts of Governor JB Pritzker, the Illinois General Assembly and the Illinois Law Enforcement Training and Standards Board, state and local law enforcement officers are provided an opportunity to attend “professional development” and “in-service” training programs throughout their careers. In years past, these courses have been widely offered at various locations by MTU’s throughout the State of Illinois. Today, many more trainings are being utilized within departments, considered In-House Training, due to the enormous and focused effort on Use of Force Curriculum Development and Scenario Based Role Playing to better prepare officers in simulated real-life situations to enhance their skills and abilities in the decision-making process given such incidents can occur within seconds. The result is that the State of Illinois and its citizenry deserve the very best from their Policing Community and Law Enforcement Officers and Administrators have committed to the newly designed training needs. State of Illinois residents have always been protected by professionally trained, competent men and women, who recognize their responsibility to maintain top job performance. Today more than ever, this need has grown immensely given the ever-changing demands placed upon our Men and Women in uniform the challenges facing the profession today. The Law Enforcement Community has openly accepted the responsibility and need for more and greater training.

Please kindly accept the 2021 ILETSB Fiscal Report on behalf of Director Keith Calloway.
