PUBLIC MEETING ANNOUNCEMENT

Quarterly Board Meeting

This is a public meeting of the Illinois Law Enforcement Training and Standards Board. Chapter 50, Act 705, Sections 1 – 13 of the Illinois Compiled Statutes has allowed for the creation of the Board, and has defined its functions, powers, duties, and responsibilities. The Board is directed by the Act to meet a minimum of four times per year, and this meeting constitutes one of the four regularly scheduled quarterly meetings. Consistent with State Statute and Administrative Directive, this meeting has been announced to the general public by being posted on the Board's website. The meeting Agenda has been properly published and distributed.

For purposes of facilitating the conduct of an orderly meeting, we intend to follow the published Agenda, so that we may complete our business in a timely manner.

The meeting Agenda allows for public input. This Board encourages public comment and opinion that is both relevant to the business of this Board and is directed toward fostering the improvement of law enforcement training in this state. Should you wish to address the Board during this meeting, please advise the Executive Director of your name and the nature of your input. He will then forward the request to the Chairman for consideration and approval.

Thank you for attending this meeting. Your interest in the business of the Board is appreciated.

VI. NEW BUSINESS

A. Law Enforcement Therapy K-9 Certification ~ Jennifer Wooldridge & Geraldo Roman

Wooldridge reported the partnership with Operation TT, Tails of Redemption program, and the Cook County Sheriff's Office Canine Team are moving forward. She is also moving forward with the expansion of the statewide CIT canine program. Wooldridge then presented, for review and approval, the Canine Therapy Dog Outline for Certification to the Committee which can be found under Tab L in the Board book. This volunteer certification program was developed by the Cook County Sheriff's office and just received AKC approval. She then went on to describe the program which revolves around the canine and handler working closely together. The purpose of the certification is to evaluate prospective teams for suitability and demonstrate that the K-9 and handler have a rapport and ability to work together effectively. Wooldridge shared that SB 1491 – Intervention Teams Therapy Dogs is an ILETSB initiative requiring ILETSB to develop a course to certify therapy dog teams. She noted this bill has passed out of the Senate State Government Committee and is currently on third reading. She thanked Senator Mary Edly-Allen for assisting in this important initiative.

Wooldridge introduced Geraldo (Jerry) Roman, Director of the Cook County Tails of Redemption program, to answer questions regarding the certification program. Roman explained that the Tails of Redemption program started in 2018, and the Therapy Dog Program began about two and a half years ago. Dogs are sourced from shelters, brought into the jail and selected inmates participate in training the dogs. Dogs found to be more suited for the therapy role receive more advanced training and will be donated to agencies at no cost. All therapy dogs will be required to meet a standard so all state dogs will be at the same level of training. There is no set time for the training, each dog dictates the timeframe, as most have traumatized past histories.

Motion was made by Parks, seconded by Bulnes, and carried by all members present to move forward with the Law Enforcement Therapy K-9 Certification process.

B. Amendment to Canine Cannabis Detection Training Requirements ~ Chad Larner

Larner, the ASSIST Program Subject Matter Expert for the Utilization of Police Dogs, presented the Committee with a proposal in response to a request, for changes to the current Canine Training Minimum Requirements which would allow agencies to certify non-cannabis certified canines as certified cannabis canines. Presentation attached. Larner gave a brief historical background and then spoke to the necessity of making sure motorists are not subject to an unlawful search and seizure that might occur from an improperly trained, poorly trained, or a non-certified police detection canine. Larner gave current canine team training requirements and stated they are seeking Board approval to add a new section to the minimum requirements. This can be found under Tab E in the Board book.

Motion was made by Bulnes, seconded by Ryan, and carried by all members present to amend the Canine Cannabis Detection Training Requirements.

VII. NEXT BOARD MEETING DATE AND LOCATION

Davis announced the next Board meeting will be held on March 6, 2025 in Springfield, Illinois.

VIII. NEXT CURRICULUM AND SCHOOL STANDARDS ADVISORY COMMITTEE MEETING DATE AND LOCATION

Davis announced the next Curriculum & School Standards Advisory meeting will be held on June 11, 2025 in Rockford, Illinois.

IX. ADJOURNMENT

Motion was made by Bulnes, seconded by Parks, and carried by all members present to adjourn the meeting at 2:26 p.m.

III. FINANCIAL MATTERS

A. Financial Items ~ Courtney Bott for Steven Pingolt

Bott noted Tab F contains the FY25 expenditures and cash flow analysis through March 4, 2025. She stated the Board has consumed about 40% of its appropriated budget for the year. The Governor's proposed budget was included under Tab F, the most notable changes for the upcoming fiscal year is NIBIN and Recruitment and Retention grant lines items have been zeroed out. It was also noted that the Traffic and Criminal Conviction Surcharge fund has been reduced for FY26 due to cash flow issues.

Motion was made by Watson, seconded by Price, and carried by all members present to approve the fiscal report.

B. Personnel Matters ~ Ellen Petty

Petty stated her report can be found under Tab G in the Board book. Staff headcount is currently up to 47 employees with an additional person starting on March 16th. She

then introduced new members of the staff. Petty stated all transactions have been entered into Employee Central, staff is awaiting CMS approval. She also mentioned that an employee who has been on a leave of absence since August 2024 has returned to work.

C. Legislative and Litigation Update ~ John Keigher

Keigher briefly discussed the Board's bills, and the bills staff are watching.

The Board's Bills:

- SB 1491 (Edly-Allen) – Therapy Canines
- HB 2350 (G. Johnson) – Body Cameras for Auxiliary Officers
- HB 2923 (Morgan) – Penalties for Chiefs and Sheriffs Not Reporting Officer Misconduct
- HB 3174 (Gong-Gershowitz) – Statewide Brady List
- SB 2199 (D. Turner) – Waiver Limitations

Bills staff are watching:

- HB 40 (Morgan) - Hate Crimes
- SB 2345 (D. Turner) – Law Enforcement Officer Hiring
- SB 1953 (D. Turner) – New Officer Background Checks
- SB 1921 (D. Turner) & HB 3053 (Mayfield) – Adds 2 Union Members to our Board
- HB 1583 (Tipsword) Retired Officers Can Serve as SROs (Also HB 1346 and SB 2135)
- SB 1195 (Edly-Allen) Requires more “Trauma-Informed” Training
- HB 1567 (Vella) –Squad Car Revolving Loan Program
- SB 1552 (Joyce) – IROCC Fee Limits
- HB 1200 (Bunting) – Creates a Recruitment Division of the Board

IV. UNFINISHED BUSINESS

A. SAFE-T Act Update ~ John Keigher

Keigher noted the Administrative Rules were filed for their second notice in January, after JCAR requested more time after the first notice was filed. The Rules are now on their agenda for the April meeting. It was noted that JCAR has received a few requests for small changes to the Rules, and they are asking for additional time possibly to see what happens in this legislative session. Staff is confident that once the Rules have been approved they are ready to move forward with Administrative Hearings.

Attorney General's Draft Bill: After the third public meeting to discuss the Administrative Rules some concerns may result in a bill that changes the legislation. Staff received a copy of the proposed changes from the Attorney General's office and there are over 50 significant changes. Staff is awaiting a meeting to discuss the Boards concerns.

Discretionary Decertification and Reactivating Hearings: There are several pending cases being prepared for a hearing as soon as the Rules are approved. Staff is in the

process of hiring two new attorneys to work cases, and the Administrative Law Judge procurement posting has been drafted.

Rules for Certification - Including Reciprocity and Legacy Conversions: Once the hearing Rules are completed staff will move forward with the Certification Process Rules, particularly reciprocity.

Discussion followed around the Attorney General's Draft bill and Chairman Smoot asked for a working group to be created around this to work with the AG's office.

B. Grant Update ~ John Keigher

Keigher reported the grant programs are open.

- *Recruitment & Retention Grant* was open from December through February 1st, with 190 applications received. There was \$45M requested with \$6.5M allocated, so this will be a full competitive analysis before any awards are distributed.
- *Camera Grant* will remain open until April 1st. There are currently 84 applications pending for almost \$5M requested. The appropriation is \$30M. Staff hopes to have everything wrapped up by June 1st so awards can be distributed prior to lapse period.
- *NIBIN Grant* has three weeks left. There are nine applications requesting about \$250,000. The appropriation for this grant was \$2M. Keigher noted this grant has been cut from next year's budget.

It was noted the Board does not receive any federal funds for these grants.

- B. Joint Meeting of the Finance & Legislative Committee and Executive Committee Meeting
December 4, 2024
- C. Quarterly Board Meeting
December 5, 2024

Motion was made by Watson, seconded by Redd, and carried by all members present to approve the meeting minutes for the Curriculum and School Standards Advisory Committee Meeting from December 4, 2024, the Joint Finance & Legislative Committee and Executive Committee meeting minutes from December 4, 2024, and the Quarterly Board Meeting minutes from December 5, 2024.

IX. REPORT OF STANDING AND ADVISORY COMMITTEES

- A. Curriculum and School Standards Advisory Committee ~ Mitchell Davis for Ghida Neukirch
Davis reported the Committee received an update on the standards for canine cannabis certification. The Committee also received a report on the law enforcement Therapy K-9 certification program; working with Tails of Redemption (TOR), rescue dogs from local shelters trained by detainees to be comfort and therapy dogs. These rescued, trained dogs may be provided to police departments free of charge. Chairman Smoot interjected that the Board is working with TOR to provide comfort and support to officers who are exposed to trauma. Smoot mentioned that Trooper is stationed in Springfield, but the goal is to have comfort dogs stationed around the state to be deployed for officers with trauma exposure.
- B. Finance & Legislative and Executive Committee ~ John Keigher for John Idleburg
Keigher reported the Committee received the fiscal report from the new Assistant Chief Fiscal Officer, Courtney Bott. Bott presented the current status of the Board's accounts and the FY26 budget. Keigher noted Ellen Petty gave an update for HR, and the legislative updates were presented as well.
- C. Waiver Review Committee ~ Chairman Smoot reported this meeting was canceled because the agency requesting the waiver withdrew their request.

Motion was made by Price, seconded by Watson, and carried by all members present to approve the Curriculum and School Standards Advisory Committee report, and the Finance & Legislative and Executive Committee report.

X. EXECUTIVE MATTERS

A. **Financial Items ~ Courtney Bott for Steven Pingolt**

Bott reported the FY25 expenditures, and a cash flow analysis, can be found under Tab F in the Board book. The Board has consumed almost 40% of its budget for the year. Bott noted the NIBIN Grant, and the Recruitment and Retention Grant funds have been reduced to zero in the FY26 Budget.

Motion was made by Watson, seconded by Parks, and carried by all members present to approve the Financial Report.

B. **Personnel Matters & DEIA Report ~ Ellen Petty**

Petty stated her report can be found under Tab G in the Board book. Petty commented on the updates since her report was written. She noted headcount is now at 47, she then introduced new employees who were in attendance. Petty stated all transactions have now been completed in the Employee Central System, and she reviewed upcoming job postings.

C. **Legislative and Litigation Update ~ John Keigher**

Keigher noted there are no updates to any of the existing litigations, though the Board has received one new one. *Leavell v. the City of Matteson*, is a multicount action against several defendants. Plaintiff is claiming defamation related to the sharing of a Professional Conduct Report. Under the SAFE-T Act, ILETSB is exempt from liability for his cause of action. The Attorney General's office has filed a motion to dismiss.

Keigher stated the bills of interest were mentioned at length at the meeting yesterday and he will post a complete list of them on our website.

The Board's bills of interest include:

- **SB 1491 (Edly-Allen) – Therapy Canines**: This bill creates an optional certification program for crisis response officers and therapy canines. This bill has moved through Committee and has a House sponsor lined up.
- **HB 2350 (G. Johnson) – Body Cameras for Auxiliary Officers**: This bill passed out of Committee this morning and it allows chiefs and sheriffs to seek funding for cameras for auxiliary officers. The 650 auxiliary officers in the state would become eligible for the body camera reimbursement.
- **HB 2923 (Morgan) – Penalties for Chiefs and Sheriffs for Failing to Report Officer Misconduct**: This bill arises out of the SAFE-T Act and would allow complaints to be addressed before the Certification Review Panel. It allows the Panel to seek suspension and possibly decertification.

- HB 3174 (Gong-Gershowitz) – Statewide Brady List: There is no centralization of a statewide list. This bill would require State’s Attorneys to report the information to the Board. The Board would maintain the list and make it available to all State’s Attorneys.
- SB 2199 (D. Turner) – Waiver Limitations: This addresses the issue of officers moving to another agency before finishing the academy. This bill requires two years of service with original hiring agency before being eligible for a waiver.

Other bills the Board is watching include:

- HB 40 (Morgan) - Hate Crimes: This bill has not passed but has been refiled. There is curriculum now that everyone could agree on to hopefully move the bill forward.
- SB 1921 (D. Turner) & HB 3053 (Mayfield) - Add Union Members to Board: This bill would change the Board membership by adding two union members. Specifically, it would add two union members of a “statewide” lodge representing law enforcement.
- HB 1583 (Tipsword) – Retired Officers to Serve as SRO’s: This bill would allow retired officers to serve as School Resource Officers (SROs). Firearms become one of the issues with the bill, but staff is making progress with this to help active officers receive SRO training.

Bills the Board may Oppose:

- HB 3641 (Slaughter) & SB 2396 (Cunningham): This is the Attorney General’s bill addressing some of the SAFE-T Act issues. This involves statutory changes in a addition to what staff is working on for the Administrative Rules.
- SB 1854 (Belt) – IDOC Homicide Investigation Training/Certification: This bill would allow Department of Corrections investigators to attend the Board’s LHI courses. Though the Board has allowed attendance in the past, the bill as drafted, puts the administrative burden on the Board. The Board needs to be careful as IDOC investigators do not fall under the Board's jurisdiction. Staff is drafting an amendment to this bill.
- HB 3592 (Slaughter) – FOIA Exemption Removed for Officer Professional Conduct Database Records: This bill would remove the FOIA exemptions for the Professional Conduct Database material. This would cause a major decrease in reporting.
- SB 1566 (S. Turner) – MTU Funding: This bill stated that MTU’s would not be eligible for funding unless they have a part-time training program. Only a few MTU’s offer a part-time program, and this requirement would be a tremendous financial burden on the MTU’s.

D. Division of Professional Standards

1. Professional Conduct Database Quarterly Report ~ Anthony Cobb

Cobb reported the [Officer Professional Conduct Database] Annual Report, as required by Section 9.2(f) of the Police Training Act, was submitted to the

Governor's office and the General Assembly on February 28th. In total, the Board received 231 notices of alleged violations for calendar year 2024, the full report is on the website. For 2025, as of February 15th, the Board has received 25 notices of violation.

Motion was made by Redd, seconded by Davis, and carried by all members present to approve the Professional Conduct Database Quarterly Report.

2. *Waiver Disposition Quarterly Report ~ Anthony Cobb*

Cobb stated two quarters of waiver reports August 1, 2024 through February 19, 2025, could be found under Tab H. The three reports are now separated into five separate reports. During this time 1314 waivers were processed, the breakdown is listed below.

Keigher explained that staff has been in contact with the Governor's legal team and the Lt. Governor's office to see if the Board needs to make changes to the rules around voting for waivers. While staff is awaiting a final answer, it was recommended the Board follows the chart that has been provided when voting for law enforcement waivers. These will all need to be roll call votes with members recusing when necessary.

- a. *Law Enforcement – Municipal*
789 waivers approved, 34 denied

Motion was made by Watson, seconded by Redd, with Price and Bulnes recusing, and carried by all other members present to approve the Municipal Law Enforcement Waiver Disposition Report.

- b. *Law Enforcement – Counties*
214 waivers approved, 8 denied

Motion was made by Davis, seconded by Redd, with Parks, Voulgaris and Watson recusing, and carried by all other members present to approve the Law Enforcement Waiver Disposition Report for Counties.

- c. *Law Enforcement – State and Others*
194 waivers approved, 5 denied

Motion was made by Redd, seconded by Watson, with Ryan, Feld, and Price recusing, and carried by all other members present to approve the Waiver Disposition Report for Law Enforcement State and Others.

- d. *Corrections*
40 waivers approved, 5 denied

Motion was made by Davis, seconded by Redd, and carried by all members present to approve the Waiver Disposition Report for Corrections.

- e. *Court Security*
25 waivers approved, 0 denied

Motion was made by Watson, seconded by Redd, and carried by all other members present to approve the Waiver Disposition Report for Court Security.

3. *Decertification ~ Pat Hahn*

Hahn presented his report on decertification and noted officers are subject to 50 ILCS 705/6.1 of the Police Training Act. Hahn presented the five officers listed in his report who have either received convictions (Campos/65138515, Giles/65131794, Garcia/ 65128168, and Williams/65120016) or voluntarily surrendered their certification (Bauer/65112650). These officers are subject to nondiscretionary decertification. Notice was given to all, a chance to respond was given to all, and none responded. [The report can be found under Tab I in the Board book.]

Hahn then thanked the Appellate Prosecutor's office, the Attorney General's office, and the States Attorneys' offices across the state for their cooperation with pending cases involving police officers. Chairman Smoot asked for the rank of the CPD officer and noted for the record that the organization that he is employed by represents Sergeants, Lieutenants, and Captains in the Chicago Police Department. Smoot noted he will recuse himself in future votes if there is a conflict.

Motion was made by Redd, seconded by Price, and carried by all members present to approve the Decertification Report.

XI. PROGRAM PROGRESS REPORTS AND CONCEPTS

A. **Illinois Law Enforcement Executive Institute ~ Heather Hotz**

Hotz highlighted the two upcoming conferences, the Women in Criminal Justice Conference in April, and the 2025 Illinois Crisis Intervention Team Conference in June both to be held in East Peoria. This is the third year in a row that the Women in Criminal Justice Conference has reached full capacity.

Hotz then spoke to the Executive Institute's most recent and upcoming workshops; in the past two weeks they held *Intentional Leadership* in Schaumburg, and a Grant Writing Workshop for Law Enforcement is scheduled for March 19th & 20th in Mt. Vernon.

B. *A Statewide System of In-Service Training (ASSIST) Program ~ Paul Petty*

Petty stated his report can be found under Tab K in the Board book. The report includes two additional graphs showing the number of full time and part time officers in Illinois. In addition, there have been approximately 41,000 certified hours of training completed in Illinois. Approximately 31,500 of those hours have mandate assignments, and approximately a third of those exist in the sub-category of Use of Force, including roughly 6,000 hours in scenario-based training. Training hours are expected to increase over the next few months as the first three-year compliance period comes to an end.

Petty then spoke to the Annual ASSIST Governor's Report, which was filed by February 1st. Due to its length a website was provided in the report. [This report is also available on the Board's website]

C. *CIT and Mental Health Training Update ~ John Keigher for Jennifer Wooldridge*

Keigher stated the complete report can be found under Tab L in the Board book; it details everything going on with CIT. He noted staff is exploring more options to introduce canines to the senate bill that was discussed earlier. Staff is working with new partnerships for the paid actors for the CIT programs, Second City in Chicago reached out to the Board to possibly join our team. Keigher mentioned that staff is not only preparing for the statewide CIT conference, but also CIT International.

D. *Specialized Programs Update ~ Barbara Wood*

Wood stated both of her reports can be found under Tab M in the Board book. She noted there are four individuals for the Board to certify for Crash Reconstruction Specialist.

E. *Information Technology Update ~ Kelly Ingram*

Ingram stated his report is under Tab N. Additionally, Ingram noted the legal hearing system will be released at the end of this month. It is expected the online training will be fully operational by the end of April, instead of at the end of 2025 as was anticipated. Also, there will be a full refresh of staff systems next year in conjunction with DoIT, all staff should have a new computer system by the end of next fiscal year. The next anticipated project is the expansion of storage. This is predominantly due to the vast number of evidentiary items, the new legal hearing system, and data archiving. Finally, Ingram introduced Travis Mansholt, the Board's newest IT Staff member, who is working on updating LETM. Chairman Smoot commended the IT team on their work. Smoot discussed the next role of the Board should be to identify open positions and to be a resource for those looking for jobs in law enforcement. Davis discussed the necessity to allow recently released federal law enforcement officers who qualify to apply for waivers to move to, and work in, Illinois.

Motion was made by Davis, seconded by Redd, and carried by all members present to approve the Program Progress Reports.

XII. UNFINISHED BUSINESS

A. SAFE-T Act Update ~ John Keigher

Keigher stated the Administrative Rules were passed for the initial review. Significant changes were made in response to comments received from the public meetings that were held. The Rules have been posted for second notice, and staff is waiting on final approval from JCAR. The Board is on their agenda for the next meeting on April 8, 2025. Legal is working with the IT department to move forward with creating an officer/lawyer portal, which will allow officers to log in to see case updates and submit legal documents. Legal staff is also preparing for the Administrative Law Judge positions.

The Attorney General is working on another SAFE-T Act related bill to address issues the Board has been dealing with. This would position the Board to better implement the last remaining components of the Act.

Regarding discretionary decertification and reactivation of denials, staff is making progress and will address some concerns brought by the Waiver Review Committee.

Legal staff is also working on rules for certification, which will include reciprocity and legacy conversions to certification. Under the SAFE-T Act every officer needs to be certified, so this would include waivers for reciprocity. Staff hopes to have these ready to present at the June meeting.

B. Grant Updates ~ John Keigher

Camera Grant: Keigher noted the Camera Grant opened in December 2024 and will close April 1, 2025. To date staff has received 85-90 requests totaling approximately \$5M, with the appropriation being \$30M. Staff is hoping to make the awards before fiscal year end. Davis asked about the possibility of an open application due to the appropriated amount. This is not possible due to the state's fiscal year end as all documents for a distribution need to be signed and processed prior to June 30th. Keigher stated he hopes to keep the camera grant more as a rolling process going forward.

NIBIN Grant: There are three weeks in this application process, staff has received nine applications for \$250,000 in awards. \$2M has been appropriated, and staff anticipates these will not need to be scored competitively. This grant has been zeroed out for next year. There was some discussion about getting the word out to agencies.

Recruitment & Retention Grant: The Recruitment and Retention grant has been appropriated for \$10M this year, however there is only about \$6.5M in the fund. The Board received a total of 190 applications, twice as many as last year, for a total of \$45M requested. This is now a competitive award and there will be a full analysis of each application, staff hopes to make awards in April. Keigher noted staff has been approached by award recipients from last year stating they will not be using the entire amount and asking how to return it. Keigher asked the Board for a motion to approve the full \$10M that was appropriated so in the event that monies come in they can still be re-spent this fiscal year.

Motion was made by Davis, seconded by Price, and carried by all members present to approve staff spending for the Recruitment & Retention Grant up to the full \$10 MM appropriation.

XIV. PUBLIC INPUT

Jawan Jackson, Retired Parole Commander from Department of Corrections: Jackson stated for the past 16 years retired corrections and county officers have been denied IROCC cards. She stated it was approved through LEOSA but is still being denied. Jackson noted HB4667 and PA 102-0779 states that retired corrections and county officers would be deemed as law enforcement, however they are still being denied. She asked the Board when they would allow them to carry IROCC cards and mentioned the card incident involving Chairman Smoot.

Calvin Williams, Retired Department of Corrections Parole Officer: Williams thanked the Board for the opportunity to speak and stated he is a recently retired parole agent after 23 years. Williams stated that prior to 2012 parole agents were able to get an IROCC card, he said their legal department told them they did not qualify for the card stating they did not have full arrest powers. He sighted a US Court of Appeals ruling in June 2016, Docket 15-7062, that clarified the decision that corrections officers have the right to carry based on their arrest powers.

XV. ANNOUNCEMENTS

Smoot announced the next Committee meetings will be held on June 11, 2025, and the next Quarterly Board meeting will be held June 12, 2025 in Rockford, Illinois.

XVI. ADJOURNMENT

Motion was made by Watson, seconded by Price, and carried by all members present to adjourn the meeting at 10:08 a.m.

REPORT ON PERSONNEL MATTERS

June 2025 Quarterly Board Meeting

Ellen L. Petty
Human Resources & Labor Relations Manager

HIGH LEVEL OVERVIEW OF HIRING PROGRESS SINCE THE PASSAGE OF THE SAFE-T ACT

- 60 positions have been filled as of 5/15/25:
 - 11 internal promotions.
 - 4 internal transfers.
 - 18 new hires to State of Illinois employment.
 - 19 promotions from other agencies.
 - 1 reinstatement from another agency.
 - 7 transfers from other agencies.
- 6 employees have transferred out to other agencies.
- 8 employees have retired.
- 2 employees have been discharged (*One was grieved and went to arbitration.*)
- 1 employee was returned to work due to an arbitration award & then retired.
- 1 employee returned to work after a 4-year leave of absence.
- 2 retired employees returned on a 75-day temporary appointment – both are now ended.
- 9 positions are currently in various stages of the hiring process.
- 14 new job descriptions still remain to be developed, approved, posted, and filled through FY27.
- The agency headcount included in the approved FY25 and FY26 budgets allow for 66 employees.

PERSONNEL UPDATES SINCE SEPTEMBER QUARTERLY REPORT

- Headcount as of May 15th is 50, an increase of 5 employees from the March report.

DETAILED STATUS OF HIRING SEQUENCES CURRENTLY IN PROGRESS

1. Accounts Payable Coordinator – Interviews will be scheduled for late May/early June for this position.
2. Benefits & Retirement Representative – Human Resources Representative – Interviews are being scheduled for late May for this position.

3. Assistant Certification Counsel – Sangamon County – The background check required before a job can be offered is currently underway for the top candidate for this position. Expect to make a job offer before the end of May.
4. Classifications, Transactions, Leave, & Recruiting Specialist – The background check required before a job can be offered is currently underway for the top candidate for this position. Expect to make a job offer before the end of May.
5. Special Projects & Policy Advisor – The background check required before a job can be offered is currently underway for the top candidate for this position. Expect to make a job offer before the end of May.

STATUS OF REMAINING FY25/FY26 HIRING SEQUENCES PLANNED

6. Field Tech Support Specialist (2) – Information Services Specialist “ISS” I – This position falls under the IT Section of the Administration Division and would provide tech support to both internal and external users of the agency applications. This job has been created and will be posted as soon as the job description is approved by CMS – before the end of June. The plan is to hire 2 incumbents for this combined internal/external position, rather than one single incumbent for an external tech support specialist and one for an internal tech support specialist. This will ensure cross-training and adequate coverage if workloads vary between internal and external demands. This is an AFSCME bargaining unit covered position. *We can hire additional incumbents into this position down the road, if operational needs dictate.*
7. Investigations Manager - Public Service Administrator “PSA” Option 7 – This supervisory position falls under the Investigations Section of the Professional Standards Division and will report to the Deputy Director of Professional Standards. This job has been created and will be posted as soon as the job description is approved by CMS – before the end of June.
8. Certification Manager - Public Service Administrator “PSA” Option 7 – This supervisory position falls under the Certification Section of the Professional Standards Division and will report to the Deputy Director of Professional Standards. This job has been created and will be posted as soon as the job description is approved by CMS – before the end of June.
9. Manager of Basic and Part-Time Training – Public Service Administrator “PSA” Option 7 – This split-class supervisory position falls under the Basic Training Section of the Training Division and will report to the Deputy Director of Training. This job has been created and will be posted as soon as the job description is approved by CMS – before the end of June.

Once we fill the positions above and have backfilled all positions which have been vacated due to internal promotions, transfers, and separations, we will have reached our FY25 headcount of 66 employees. The FY26 headcount has been held to the same level of 66 employees. However, we will continue to work on the creation of the remaining job descriptions and the preliminary work for posting those additional positions so that we can begin posting in April 2026, in order to be able to onboard new hires on or as soon as possible after July 1, 2026, which is the first day of FY27.

Those remaining positions to be posted during the last quarter of FY 26 and onboarded during the first quarter of FY27 are as follows:

10. Curriculum Legal Specialist – Public Service Administrator “PSA” Opt 8L 4d5 – This high priority split-class position will fall under the Legal Section of the Administration Division but will work closely with the Training Section.
11. Internal Auditor – This position will report to the Chief Fiscal Officer. It is yet to be determined what the classification and job details of this position will be, however there have been discussions about the essential functions of the position and it being developed as a Senior Public Service Administrator (SPSA) classification. *More details to come as plans develop.*
12. Basic Law Enforcement (BLE) Curriculum Specialist – Executive I or II – This position will report to the Basic & PT Training Manager and will develop, maintain, and oversee the BLE curriculum. This is an AFSCME bargaining unit covered position.
13. Basic Correctional Officer & Court Security Officer (BCO/CSO) Curriculum Specialist – Executive I or II – This position will report to the Basic & PT Training Manager and will develop, maintain, and oversee the BCO & CSO curriculums. This is an AFSCME bargaining unit covered position.
14. Academy Auditor – Executive I or II – This position will report to the Basic & PT Training Manager and will perform auditing functions of the ILETSB certified academies throughout the state. This is an AFSCME bargaining unit covered position.
15. Academy Accreditation Monitor – Executive I – This position will report to the Basic & PT Training Manager to coordinate and perform functions in support of an Academy Accreditation program. This is an AFSCME bargaining unit covered position.
16. Professional Standards Secretary – Executive Secretary I – This existing position will report to the Deputy Director of Professional Standards and will be revised from its current state to provide secretarial and administrative support for this division. This job can be posted with only minimal formatting changes to accommodate the new system. This is an AFSCME bargaining unit covered position.
17. Training Division Secretary – Executive Secretary I – This position will report to the Deputy Director of Training and will provide secretarial and administrative support for this division. This is an AFSCME bargaining unit covered position.
18. Mandated Training Assistant – Administrative Assistant I – This position will report to the Mandated Training and ASSIST Manager and will provide secretarial and administrative support for this section, due to anticipated increased workload as the agency expands. This is an AFSCME bargaining unit covered position.
19. Intake Specialist – Office Specialist – This position will report to the Certifications Manager. Depending upon operational need, we may opt to hire multiple incumbents. This is an AFSCME bargaining unit covered position.
20. Certification Assistant – Office Specialist - This position will report to the Certifications Manager. Depending upon operational need, we may opt to hire multiple incumbents. This is an AFSCME bargaining unit covered position.

21. Investigations Assistant – Office Specialist - This position will report to the Investigations Manager. Depending upon operational need, we may opt to hire multiple incumbents. This is an AFSCME bargaining unit covered position.
22. FOIA & Records Assistant – Administrative Assistant I – This position will report to the FOIA Officer due to anticipated increased workload as agency expands. This is an AFSCME bargaining unit covered position.
23. Basic Training Associate – Office Associate – This position will report to the Basic & PT Training Manager to provide clerical and data entry support for this section. This is an AFSCME bargaining unit covered position.

DIVERSITY, EQUITY, INCLUSION & ACCESSIBILITY (DEIA)

The mandatory **Diversity, Equity, Inclusion, and Accessibility Training** and **LGBTQIA+ Equity and Inclusion Training** for 2025 is available on OneNet. This training is due to be completed by all staff and Board members prior to December 31st of each year.

ILETSB's newly promoted DEIA/EEO/AA & Recruiting Specialist has now taken over these duties from the HR & Labor Relations Manager and has been immersed in training and researching to become more knowledgeable in this area. She is currently attending meetings in order to prepare the agency's 2025 Strategic Planning Report, which is due on June 20, 2025.

Additionally, she has prepared and submitted the 3rd Quarter Equal Employment Opportunity reports to the IL Dept of Human Rights, meeting the deadline requirement.

HUMAN CAPITAL MANAGEMENT (HCM) PROJECT STATUS

ILETSB is now all caught up on pending personnel transactions in this new system and is entering transactions in real time. However, there is still at least one of the larger agencies in the State that is still getting caught up, so the automatic transactions are not yet running in the system. We hope that by July 1, 2025, these automatic transactions will be functioning so that we can rely upon accurate system reporting.

The Payroll, Time & Attendance, Learning Management, and Performance & Goal Management modules of the HCM will be rolled out until a later date. No anticipated timeframe for this has been shared at this time.

We been working in conjunction with CMS Labor and CMS Classifications on a reclassification project regarding Police Training Specialists (Field Investigators). This Memorandum of Understanding (MOU) between CMS and AFSCME has now been finalized. Our Police Training Specialists will now be classified as Police Training Specialist – Advanced. The pay for these positions jumped 5 grades, from 17 to 22. We are currently awaiting back-end work to be done by CMS within the Employee Central system to allow us to update the creditable service dates, salaries, and pay steps of these incumbents and to calculate and issue backpay.

NONDISCRETIONARY AND VOLUNTARY DECERTIFICATION CASES

June 2025 Quarterly Board Report

This is to report on officers who are subject to decertification as a matter of law (50 ILCS 705/6.1) based upon a conviction or similar disposition, or a voluntary surrender of certification. Presented below are those matters of which the Board should be advised.

Automatic Decertifications

1. **Sgt. Keith Randolph (65079024)** is on inactive status with the East St. Louis Police. On March 24, 2025, a judgement of AGGRAVATED ASSAULT was entered against Randolph in St. Clair County. On March 27, 2025, Randolph was sent written notice and an opportunity to respond to a request for his status be changed from active to decertified to his last known mailing address; he did not respond.

CURRICULAR ACTIVITIES

1. Executive Summit – Supervisor Liability

Matt Dolan

April 2, 2025

Rock Island PD

33 attendees

A promotion to a supervisory position is an invitation to enter the world of risk management. Far too many supervisors are learning about these challenges through the process of trial and error—at great expense to themselves, their agencies, the people they lead, and the public that they serve. It is vital to agency operations that supervisors are continuously considering the ramifications of their leadership decisions in the context of liability and risk management. In this course, case law and recent real-world case studies will be utilized to illustrate the most common and costly liability issues confronting supervisors in law enforcement and effective strategies for minimizing that liability. This training is designed to prepare law enforcement supervisors to take preventative steps to limit supervisor liability, maintain organizational standards, and protect public trust.

Course Topics include:

- Your people—your greatest asset and your greatest liability
- Making legally and ethically defensible hiring decisions
- The FTO and probationary process
- Combating the diffusion of responsibility and the bystander effect
- Fair and consistent discipline designed to save careers
- Officer termination and the liabilities incurred by the failure to act

Matt Dolan is a licensed attorney who specializes in training and advising public safety agencies in matters of legal liability, risk management and ethical leadership. His training focuses on helping agency leaders create ethically and legally sound policies and procedures as a proactive means of minimizing liability and maximizing agency effectiveness.

Matt received his Bachelor's Degree in Political Science from DePaul University and his J.D. from Loyola University Chicago School of Law. A member of a law enforcement family dating back three generations, he serves as both Director and Public Safety Instructor with Dolan Consulting Group. He has trained and advised thousands of public safety professionals throughout the United States in matters of legal liability. He has provided in-service training for hundreds of law enforcement agencies.

Matt has published dozens of articles for the Dolan Consulting Group in the areas of recruiting and hiring, internal affairs and police ethics. His training courses include Confronting the Toxic Officer, Recruiting and Hiring for Law Enforcement, Background Investigations in Law Enforcement, Making Discipline Stick®, Supervisor Liability, Police Ethics, Internal affairs Investigations: Legal Liability and Best Practices and Performance Evaluations for Public Safety.

Mandates: Civil Rights (1 hr); Constitutional Use of LE Authority (1 hr); Legal Updates (1 hr); Procedural Justice (5 hrs)

Dive into the dynamic world of generational strengths and differences in the workplace with this compelling workshop! As Gen Zers embark on their careers, Millennials step into leadership roles, and Baby Boomers and Gen Xers continue to offer invaluable experience and stability, it's crucial to understand and leverage the unique strengths each generation brings to our organizations.

In this refreshing and insightful workshop, we'll explore the positive characteristics of all generations and how to effectively utilize their unique skill sets. We'll delve into how different generational upbringing has shaped them into the employees they are today. We will also discuss the importance of career mapping and building personal resources to develop a resilient workforce. By examining research-based studies, we'll uncover strategies to motivate and develop these individuals into the leaders we need now and in the future.

This workshop promises engaging discussions, practical insights, and actionable strategies to help you harness the power of the different generations and drive success in your organization.

Mandates: Officer Wellness/Mental Health (2 hrs) and Procedural Justice (2 hrs).

5. Live Webinar – Lights! Action! Camera! First Amendment Auditors – Are you Prepared?; Jaclyn Keane; May 15, 2025; 193 registrants at the time of writing (May 6, 2025)

What are First Amendment auditors and what is the proper police role in these occurrences? This course offers essential insights into the rights and tactics of auditors who test public and government spaces for constitutional violations which can oftentimes be controversial, confrontational and disruptive. Through instruction on legal foundations, common auditing techniques, policy and training considerations, as well as real-world case studies, students will learn how to effectively navigate these encounters while respecting First Amendment rights and reducing risk and liability for officers and agencies alike. Gain the tools to handle public interactions with professionalism, avoid legal pitfalls, and maintain public trust. Whether aiming to enhance an understanding of constitutional rights, establish sound policy, or improve training and response strategies in the field, this course provides the knowledge needed to protect you and your agency with confidence and professionalism.

Jaclyn M. Keane is a 15-year veteran of the New York City Police Department in the rank of Deputy Inspector and currently assigned as the Executive Officer of the Legal Bureau. Jaclyn's role as Executive Officer is to oversee 350 uniform and civilian attorneys, paralegals, and various other positions. Under her direct command is the Public Safety Division, which encompasses the Criminal Section, Civil Enforcement Unit, and Asset Forfeiture. Additionally, Jaclyn oversees the Body Worn Camera Division, Subpoena Litigation Unit, Giglio Unit, CCRB Liaison Unit, Civil Section, and Legislative Affairs. Most recently, she has been closely involved, both in the office and out in the field, with the legal coordination and handling of the area's college protests/encampments related to the Israeli/Palestinian war. Prior to her assignment in the Operations Division, Jaclyn was an attorney in the Legal Bureau's Criminal Unit. In this role, she was responsible to advise members of the department on criminal law matters by providing legal opinions regarding criteria to establish probable cause, interpretation of statutes and constitutional law, as well issues related to arrest and prosecution of offenses. Additionally, Jaclyn reviewed departmental orders and procedural revisions on policy and operational matters prior to their publication in an effort to ensure mitigation of liability for the department. In addition to Jaclyn's busy full-time career with the NYPD, she also serves as on-staff counsel to NY Blue Line Consulting Group, a company which provides law enforcement training and consulting services nationwide.

CONFERENCES

2024 Women in Criminal Justice Conference

The 14th annual 2024 Women in Criminal Justice Conference was held April 15 & 16, 2025 at the Embassy Suites Conference Center in East Peoria, Illinois. We had a total of 359 participants this year, our largest year to date. This year's conference hosted a variety of topical areas and speakers, and here are some highlights:

- This year we offered a pre-conference training event on female leadership, titled: **You v. You – Your Biggest Comeback Yet!** This four-hour event took place on April 15, and was facilitated by Blue Line Training and Development. Sixty-four individual participated in the training.
- Women in Criminal Justice Awards Banquet, which took place the evening of the 15th to honor those award winners, their department heads and families. Deputy Director Cheryllynn Williams provided an inspirational and moving banquet keynote. This year's winners included:

Deputy Chief Jill Stevens - Chicago Police Department:
2025 Women in Law Enforcement Leadership Award Recipient
Sponsored by Susan Nichols

Rebecca Lawson-Ripley - Normal Police Department
2025 Women in Criminal Justice
Civilian of the Year Award

Samantha Lulay - Springfield Police Department
2025 Women in Criminal Justice Female Officer of the Year Award

Amber Hopkins - Fairview Heights Police Department
2025 Women in Criminal Justice
Blue Line Dedication Award

- **Opening Conference Speaker:** President Kristi Mindrup – Western Illinois University – the first female president in the history of the university.
- **Conference Opening Keynote:** Alma Burke, Ret. Assistant Chief of Operations and the Director of the Bureau of Investigations at the USC Department of Public Safety. Burke has nearly 30 years of law enforcement experience and began her career with the Los Angeles Police Department (LAPD) in 1996. During her tenure at the LAPD, she worked in patrol operations, undercover gang/narcotics, vice and human trafficking investigations, sexual assault, homicide investigations, use of force and critical incident investigations, public housing/community safety, and in-service training at the police academy. At the police academy, Burke and her team trained over 9,000 local and national law enforcement officers in tactics, command and control, de-escalation, mental health response, tactical communications and non-lethal weapons training. She continues to teach executive leadership and employee wellness throughout the country.
- **Conference Closing Keynote:** Cathy Lanier. Over her celebrated 26 years in law enforcement and counter-terrorism, Cathy Lanier has come to be known for her game-changing leadership strategies as she rose through the ranks of the Metropolitan Police Department, ultimately being appointed to chief in 2007. She is the first female chief of the nation's capital and the longest serving chief on the DC force. Success, however, did not come without hard work and overcoming odds. Cathy began her career as a junior high dropout and single mom and went on to earn her GED and two master's degrees—all while working her way up within the DC police force. Now, as the senior vice president of security for the NFL, Cathy ensures the security of all 32 NFL teams and their venues, working with federal, state and local law enforcement and handling security for the Super Bowl.
- The conference also boasted over twenty breakout sessions, and four highlighted speaker sessions.
- 2,969.5 training hours were granted (an increase of 36.9% from last year), meeting such mandates as Officer Wellness/Mental Health, Procedural Justice, Lead Homicide Investigator, Human Rights, Psychology of Domestic Violence, Active Threat Response (SRO), etc.

Pictured below are some snapshots from the 2025 Women in Criminal Justice Conference.

QUARTERLY REPORT FOR THE JUNE 11, 2025

BOARD MEETING

Federal Homeland Security Grant Illinois Homeland Security Advisory Council

Illinois Law Enforcement Training and Standards Board Executive Institute

Heather Hotz, Director

This report provides an update of the Illinois Law Enforcement Training and Standards Board Federal Homeland Security Grant funded through the Illinois Homeland Security Advisory Council (HSAC).

TRAINING AND FUNDING

ILETSB has been a voting member of the Illinois Homeland Security Advisory Council and recipient of homeland security funds since 2002. ILETSB has four active awards, Federal Fiscal Years 2021, 2022, 2023, and 2024; years 2021, 2022, and 2023 the award is \$391,000. For FFY 2024 the award is in the amount of \$136,000. The decrease is the result of a 10 percent reduction to the State of Illinois Homeland Security Grant Program. This 10 percent reduction impacted all stakeholders receiving homeland security funds in Illinois. ILETSB is currently in Federal Fiscal Year 2021 with the performance period ending June 30, 2024.

ILLINOIS HOMELAND SECURITY ADVISORY COMMITTEE

The Illinois Homeland Security Advisory Council May 7th meeting was cancelled due to uncertainty with the FFY 2025 budget and the freezing of the Homeland Security Grant Program by the Trump Administration.

Next full quarterly meeting of the HSAC will be on May 28, 2025 at 10:00 am at IEMA.

LAW ENFORCEMENT MUTUAL AID COMMITTEE

The LEMAC sub-committee meeting met briefly on March 18th at 2:00pm at ILEAS in Urbana. Our discussion was on the frozen HSGP funds and lack of a 2025 federal budget. Because of a lack of quorum, no committee business could be voted on.

CENTER FOR HOMELAND SECURITY LEADERSHIP

Program Director – Derek Carle

Derek Carle continues to serve on the Illinois Homeland Security Advisory Council (IHSAC) and serves on three sub-committees of the IHSAC: Law Enforcement Mutual Aid Committee, Cyber Security Committee and, Prevention Committee.

Derek serves on three national committees pertaining to law enforcement and incident management. Derek is a member of a law enforcement committee to address incident command/NIMS to law enforcement executives, command staff and officers. Derek is also on the Incident Commander and Intelligence/Investigations committees.

Derek is also a credentialed Type 2 Incident Commander for the State of Illinois.

Planning Workshops

During this quarter the Mobile Training Units held 14 workshops for 257 officers totaling 2,996 hours of training. UASI held 0 workshops. The workshops were paid out of the FFY2021 HSGP.

Illinois Active Threat Master Instructor Course

We have completed three weeks of the Active Threat Master Instructor Course. Week one was held at Elmhurst Police Department and in Lake Villa. Students were instructed on Illinois Use of Force, developing scenario-based training and how to safely conduct scenario-based training. Students received instruction on room clearing and high-risk traffic stops. Week 2 was held at SWIC Law Enforcement Academy. This week consisted of Rapid Deployment, Rescue Task Force, and Solo Officer Response. Students conducted “teach backs” to their fellow students as well as developing their own scenario-based training for Rapid Deployment, Rescue Task Force, and Solo Officer Response for the class. Week three was conducted at the Marseilles National Guard Base and Elgin. Week three consisted of MACTAC/Urban Response. Students also conducted “teach backs” and developed scenario-based training for MACTAC/Urban Response and High-Risk Traffic Stops. In Elgin students conducted room clearing drills as well as “teach backs” and scenario-based training for room clearing.

Week four is to be held May 19-23 at T1G in West Memphis, Arkansas.

The Illinois Active Threat Master Instructor Certification Program builds upon the ITOA’s (Illinois Tactical Officers Association) TPO (Tactical Patrol Officer) program by offering an advanced certification for current instructors throughout the state.

The 4-week program will certify instructors to teach: Use of Force, High Risk Patrol Tactics, Active Threat/Rapid Deployment, Solo Officer Response, Rescue Task Force, and Urban Tactic/MACTAC (Multiple Assault Counter Terrorist Action Capabilities).

Homeland Security Workshop Catalog

With guidance from Mobile Team Unit Coordinators, staff continues to review and revise the workshop catalog. Coordinators are encouraged to submit new workshops for consideration.

Based on the desire of the Illinois Homeland Security Director and the IHSAC, the homeland security grant guidance and catalog will be going through a small revision. The core courses for

the catalog will consist of the Active Threat Master course (every other year), Active Threat End-User courses, Community Behavioral Threat Assessment (different from school based Behavioral Threat Assessment), Digital Threat Assessment, Cyber Security, Domestic Violent Extremism, Soft Targets/Crowded Spaces and a few of the popular courses that address the Vision 2028 Homeland Security Strategy.

Illinois School and Campus Safety Program

Presentations and Work Groups

Eric Arnold, Program Director for the Illinois School and Campus Safety Program, co-chairs the Prevention subcommittee, and continues to serve on the Law Enforcement Mutual Aid Subcommittee, the Emergency Management Subcommittee, and the Cybersecurity Subcommittee of the HSAC.

National Domestic Preparedness Consortium (NDPC)

The Illinois School and Campus Safety Program works in collaboration with NDPC members, including the Energetic Materials Research and Testing Center at New Mexico Tech, to bring a variety of courses to Illinois, including classes on Understanding and Planning for School Bombing Incidents and Surviving Bombing Incidents for Educators.

Readiness and Emergency Management for Schools Technical Assistance Center (REMS)

The Illinois School and Campus Safety Program works in collaboration with the REMS TA Center to bring courses to Illinois. The REMS TA Center provides training on developing emergency operations plans, earthquake preparedness, reunification, and more.

Behavioral Threat Assessment

The Illinois School and Campus Safety Program is working to deliver training regarding the threat assessment & management process.

The program continues to work with David Okada, President of the Association of Threat Assessment Professionals, on sessions of the K-12 class Threat Assessment Team Training.

The program continues to work with Dr. Gene Deisinger and Jeffrey Cugno on Higher Ed Behavioral Threat Assessment classes.

Furthermore, the program continues to work with Safer Schools Together on sessions of Digital Threat Assessment®, Advanced Digital Threat Assessment®, and Behavioral and Digital Threat Assessment™, as well as with Rich Wistocki on sessions of Preventing Targeted Violence Through Leakage and Cyber Investigations (PTVTLCI).

Site Safety Security Assessment

The Illinois School and Campus Safety Program is working to deliver sessions of the Site Safety Security Assessment training.

Crisis Communications

The Illinois School and Campus Safety Program is working with Deputy Chief Chris Covelli on sessions of Effective Communication Principles Before, During, and After Critical Incidents.

Website

The Illinois School and Campus Safety Program continues to promote and update the Illinois School and Campus Safety Resource Center website. The website features a comprehensive resource compendium of school safety topics, has a multimedia platform that features public service video work, features many of our collaborative state and federal partners, and provides information about the school and campus safety program. We are continuing to seek input from both K-12 and higher education institutions and associations to drive the content of the website. Staff is currently working on adding additional resources and topic areas to the website, as well as testing and updating links.

Weekly Update Emails

The Illinois School and Campus Safety Program continues to promote school safety topics and spread awareness through our Weekly Update emails, which go out weekly to over 24,000 individuals in the School and Campus Safety directories. The Weekly Update emails feature important school safety topics, share breaking news/resources, promote upcoming classes, and provide links to the Illinois School and Campus Safety Resource Center website. Past Weekly Update emails are added to the Resource Center website to make their content accessible to individuals who do not receive them via email.

K-12 School Directory and Institution of Higher Education Directory

Staff continue to update the K-12 public and private school directory and the statewide institution of higher education directory. Presently the directory has over 24,000 contacts. For April through June, staff worked on updating the K-12 directories for Chicago, ROE 4, and ROE 8.

EXECUTIVE INSTITUTE – A.S.S.I.S.T PROGRAM

FY25 4TH QUARTER BOARD REPORT

The Executive Institute A.S.S.I.S.T. Program (A Statewide System of In-Service Training) was started at the end of July 2023. This program consists of three major sections: State Law Enforcement Agencies (Course Certification, Instructor Approval, and class recognition), ILETSB K9 Certification and the ILETSB IROCC (Illinois Retired Officer's Concealed Carry) Program, along with several entities that do not fall within these sections directly. The EI-A.S.S.I.S.T. Program also works directly with the rest of the Executive Institute and ILETSB staff with assistance in conferences and training, along with the administration of the IDOT Grant.

Since the inception of the EI-A.S.S.I.S.T. Program, several State Law Enforcement agencies have used our program to get their courses ILETSB certified, along with getting their instructors approved to provide the instruction. This is helping agencies to fulfill mandate requirements per the Illinois Safe-T Act.

A meeting was held at the ILETSB Building in Springfield on 03/25/25 involving several State Law Enforcement Agencies throughout the state. This meeting was, to help agencies understand our Program and goals, along with put a name to a face of the other State Law Enforcement Agencies throughout the state. One of our top goals is for the different agencies throughout the state to work with each other to gain the best training opportunities for each agency. We had several agency representatives that showed up such as: ILETSB, Illinois Attorney General's Office, Illinois Secretary of State Police, Illinois State Police, Illinois Department of Revenue, Illinois Department of Natural Resources, Illinois Gaming Board, CMS Illinois State Police Protective Services Unit, Illinois Supreme Court Marshals Office, along with Heather Hotz for Executive Institute. Heather went into great detail regarding what the Executive Institute Offers from online learning to conferences that they can attend, answering any questions they had. The meeting itself was informal, with open discussions, suggestions, and questions. There was an overwhelming reception on what was discussed, with several wanting to have this meeting two to four times a year. This meeting, putting several State Law Enforcement Agencies in the same room that involved training, was highly beneficial and probably does not happen normally. Their information was shared, so they have a direct contact on each agency, along with agencies sharing trainings that they conduct, which they will open up for other State Law Enforcement Agencies to attend when available. The Agencies understand the importance of the trainings, the Safety Act, along with the required mandates and they strive to train beyond the minimum.

At the request of agencies in the meeting wanting to help with and for assistance themselves in training, a library listing of all courses (submitted by EI-A.S.S.I.S.T. Program) already certified by ILETSB, including each of the State Law Enforcement Agencies developed courses. It is broken down by course mandate specialization and the designated hours, which can be viewed by each of Agency's designated Training Coordinator that we work with. This gives them the

opportunity to see the different trainings each Agency has developed and may use to help with them developing their own course from. This list is regularly updated and distributed to the Agency's designated Training Coordinator.

Recently there were two dates of the Modified High-Risk Traffic Stops Course held at the West Chicago Fire Protection District in DuPage County, which was organized with the help of DC Lyons of the Illinois Secretary of State Police. They were full classes with very positive feedback from the participants and instructors. As a reminder, this course is specific to certain State Law Enforcement Agencies, that did not fit in the criteria of other law enforcement agencies was created by Executive Institute/ EI-A.S.S.I.S.T. with ITOA and was conducted for two classes in central Illinois. There are also two of these scheduled at the ILETSB Building on July 15th and 16th. Arrangements for two other dates for the course in the fall are being worked on that will be in Belleville with the assistance of MTU 15.

The K9 Certification/Re-certification team, which includes ILETSB Legal Counsel, has been working on ways of updating the program. This is to help ensure accurate information on forms and keep the certification process up to date. This program has scheduling in several locations around the state with dates scheduled throughout the year to assist the Department's K9 handlers and the K9 assessors. For updates on the calendar year 2025 K9 Program statistics up to 05/08/25, see the included report.

The IROCC, which consists of nearly 10,000 applicants yearly, has been working alongside Levi, Ray and Shoup, Inc. in the updating of the website and application process to help with the vetting of applicants and making operations more efficient. For details of updates on the IROCC Program year 2025 numbers, see the included report.

As you can see, the Executive Institute A.S.S.I.S.T. Program has achieved a great deal in a short amount of time and continues to strive as a program.

ASSIST PROGRAM

June 2025 Quarterly Board Report

This report provides an update on the administration of the ASSIST Program including: the 3rd Quarter Report (Jan-March) for FY25 & the FY26 MTU Request for Funding including all Specialized Training requests for funding. Presented below are some of the ASSIST administrative matters to include Training and Fiscal reports.

Attachment I consist of the ASSIST program training activity report results through the third quarter of Fiscal Year 2025 to include all 13 MTU's and In-service training. This chart provides information from each Mobile Team Unit including training numbers, fiscal numbers, and cost analysis for all MTU's. In-service conducted 3,299 classes consisting of over 18,827 hours. In all, 96,785 officers were trained in over 350,706 hours of training. For the third straight quarter, we kept the three-cost analysis below our ceiling costs. Including: \$8.54 per hour of training, \$30.95 per officer trained, and \$159.13 for each instructional hour. These three primary costs that are analyzed have stayed 20% below the expected cost throughout FY25 (these figures do not include monies to EI).

Attachment II provides a financial overview of the total budgets operationally for the MTU's including expected Specialized Training requests along with the MTU's Ten Percent match. To date, the Board has approved release of four payments to the Mobile Team Units including payments to CPD for their In-Service Training needs.

Attachment III represents the current listing of MTU directors and locations of MTU offices and training sites. (Addition to the map includes the State ASSIST Division located within ILETSB office in Springfield that represents all state agencies for In-House Training Applications, Instructors, and Certification through the Executive Institute)

Attachment IV represents the current listing of MTU geographical locations and represented agencies and officers being trained and listed within each MTU area.

Attachment V represents the current Part-time Police Training Academy dates and graduations as set by each entity.

Attachment VI represents ALL In-Service Courses presented for Approval during the 3rd Quarter and up to May 20th of FY25. MTU's currently have a total of 5,431 Certified Courses which include conferences, summits, and expo trainings as well as all online based training offered through COPS and Executive Institute.

Attachment VII represents each MTU's request for funding for FY26. The Board has had a number of meetings with representatives from each individual Mobile Training Units and discussed in detail each of the requests for funding with emphasis on the high demand of Use of Force training hours including both: In-Service through MTU's and In-Service through In-House training. During these meetings, MTU Coordinators share their needs and their concerns regarding demands by their membership agencies and their proactive concerns with regards to ensuring they are able to financially meet the demands of the increased trainings needs as spawned by the SAFE-T Act. It is our hope that we are able to fully fund the FY26 requests as we move into the first year of verification and compliance as generated by the SAFE-T Act. MTU's have requested a total of **\$13,556,477.13** in ASSIST Funding from the State of Illinois. Additionally, MTU's have requested additional funding for Specialized Training to include: School Resource Officer Trainings, CIT Trainings, & Lead Homicide Trainings totaling **\$7,143,321.99**. These monies combined bring FY26 Training request for the A.S.S.I.S.T. Program to **\$19,750,545.12**

Closure

The Board has been extremely pleased with the MTU's over the course of the last three years regarding the implementation of the SAFE-T Act. As the Gatekeepers, our MTU leadership and staff have managed far more in the past three years than expected. MTU's have enabled law enforcement agencies and officers throughout the state to manage their training, meet their requirements as set in the SAFE-T Act, and placed our ability to manage compliance and verification in the optimal position as we move towards the completion of the first three-year period of the SAFE-T Act.

They continue to develop and meet the demands of their memberships and our law enforcement community. These 3rd quarter numbers will clearly display the hard work and dedication each MTU has for their memberships which has established new highs in officer turnout and hours trained. Unique in the field of In-Service Police Training is the pyramid learning style with so many mandates required within our profession. Each MTU is both individually defined and managed based up the need of their membership and the make-up of their Advisory Board. We have seen great strides in partnerships within the MTU arena as well as a growing involvement from local law enforcement with regards to the roll of each MTU's Advisory Board must play in the MTU's development.

The ILETSB Training Division continues to build upon the ASSIST Program and has set it's short-term goals on the establishment of training policy & procedure aimed at standardizing curriculum and adopting best practices and standards utilized and proven to be effective within our profession. Additionally, the ASSIST Program is proactively approaching the development of our instructors in a three-tier process to identify each instructor throughout the state and proactively providing a developmental program that allows each instructor to reach a master level status within the training sphere. It is the training departments belief that better training will be spawned by even better instructors.

CRISIS INTERVENTION TEAM TRAINING (CIT)

June 2025 QUARTERLY REPORT

Jennifer Wooldridge
Deputy Director of Operations
State CIT Coordinator

This report provides an update on the administration of the Board's Crisis Intervention Team (CIT) training programs as well as various related mental health and de-escalation trainings.

CIT Training Courses/Series:

In anticipation of the FY26 appropriations to ILETSB, Board staff began receiving MTU and Approved CIT training entities CIT, Mental Health Awareness, Peer Support, Officer Wellness, Crisis Response, De-escalation/Conflict Resolution and Co-responder training proposals for the upcoming fiscal year. I'm happy to report that interest in the above noted programs remains strong. Additional information regarding FY26 approvals will be forthcoming once a budget has been approved.

Along the lines of CIT training, our team has been reviewing the national CRIT (Crisis Response and Intervention Training) curriculum which was created in partnership with CIT International to "be the training curriculum for CIT programs" or to "enhance existing curriculums" and even be in-service or refresher trainings. As part of our review, our core group will be piloting a slight tweak to the current 40-hour program. Instead of a stand-alone Medical Conditions and Psychotropic Medications section, we will be following the CRIT training model and encompassing the core content of this stand-alone section over three existing sections with the hopes of allowing time for an additional role play scenario, which has been a frequent request from officers within the training. I will keep the Board apprised as this pilot moves forward.

Officer Wellness (Moral Injury) Course Update:

I wanted to provide a brief update to a pilot course previously brought before you. If you recall, a little over a year ago, we brought a new concept/course on Officer Wellness (including the topics of PTSD and Moral Injury) before you for conceptual approval. Since that time, the creators of this course, who happen to also be members/instructors of our CIT training team, one a clinician, the other a licensed social worker (and current law enforcement officer) have taken a deeper dive into the content of this course and have minor adjustments (mostly on delivery) to make the biggest impact (less than 10% changed) for those attending. As such,

attached to this report is the outline for the updated training course, now entitled: Re-directing the Abyss. This pilot program is 8 hours in length and intended for individual self-care using a combination of science based and culturally based strategies. This non-traditional model will foster cognitive reframing, storytelling, letter writing, forgiveness rituals (forgiving others and self) and follow up to enshrine the use of tactics and techniques going forward (identifying wounds, naming them, treating them, healing self). There will also be an opportunity for a retreat experience as a “booster shot” and for e-multiplier. This pilot training will be available for all MTU’s beginning in July. Once again, as this pilot progresses, I’ll keep the Board apprised.

Advanced Petition Writing and Peer Support Class:

In response to feedback our CIT team has received in the basic 40-hour CIT training course, two of our instructors have developed a class dedicated to advanced petition writing where the officers can get into the weeds of content and articulation and then shift gears slightly to focus on peer support. They explain that the adage of “see something, say something” can be very difficult, so they wanted to create a space for officers to discuss issues they are encountering, as well as to provide tools to assist them in their agencies and with fellow officers. Attached to this report are the course objectives for this 8-hour class which will encompass the advanced petition writing in the morning followed by the peer support section in the afternoon. This course will be brought before the Curriculum Committee for their review and approval at the June meeting.

CIT K-9 Therapy Dog Initiative:

Since last reported at the March Board meeting, Trooper continues to make appearances statewide. He’s helped greet test takers and training attendees at our Springfield office, attended various CIT trainings, participated in community events or local outings, attended the Senate and House Appropriations Committee hearings, the Hines VA nurse call center and a Special Olympics Event where he helped welcome those in attendance. Trooper’s gentle soul continues to win hearts over!

Along the same lines, I’d like to share that in the wake of the tragedy this past April at the YNOT after school camp in Chatham, we reached out to the Chief and school administration to see how our law enforcement K-9 therapy dog team partners from around the state could help. We were asked to cover three of the district schools for two days; one when teachers headed back to the classroom as well as when the students returned. We reached out to our Cook County TOR partners and were able to rally nine dogs (day one) and seven dogs (day two), including two puppies. Even though our statewide callout initiative hasn’t officially launched, it took one call and these officers, and their agencies knew the importance of being there for the Chatham community. We were thankful to have been invited and hope our presence made the transition back to school just a little easier.

I’m happy to report that our partnership with Operation TT, the Tails of Redemption Program and the Cook County Sheriff’s Office K-9 team are progressing nicely and we are on track to expand the CIT K-9 Therapy Dog program around the state. With that, I am happy to announce additional details for the next step to the program; Certification of Law Enforcement K-9

Therapy Dogs as brought before you this past March. Going before the Board's Curriculum Committee is a Certification K-9 Therapy Dog Program draft policy for review and approval (copy attached to this report). The purpose of the certification is to evaluate prospective teams for suitability and demonstrate that the K-9 and handler have a rapport and ability to work together effectively. Having this certification is an important step in ensuring K-9 therapy dog teams used throughout the state for CIT trainings, officer wellness, community events, etc., all have the proper temperament and behavioral characteristics needed to be successful. Along those same lines, I'd like to share that SB 1491, which codifies that ILETSB would develop a course and certification program for certified therapy dog teams has passed both chambers and is now awaiting the Governor's signature.

As mentioned previously, the Department of Justice's COPS Office, "What's New in Blue" recently traveled to Illinois to capture information and footage regarding the Board's newest statewide law enforcement therapy K-9 initiative. Through a stop at Cook County Sheriff's Office Tails of Redemption Program, followed by a visit to the Hines VA to catch Trooper in action at our CIT training, the production crew was able to witness firsthand the impactful work happening in our great state. They not only saw Trooper offering comfort and support in real-time interactions, but the crew also viewed our CIT role play, gaining insight into the practical techniques our officers are using in crisis situations, with calm and control. To top off the visit, they learned all about our new statewide initiative focusing on expanding the therapy dog program, enhancing officer wellness and strengthening community partnerships to promote more compassionate policing across the state. I will keep the Board informed when the What's New in Blue production is available for viewing.

CIT Statewide Conference:

We are excited to invite you to the upcoming State Crisis Intervention Team (CIT) Conference, which will be held June 25 and 26, 2025 at the Embassy Suites in East Peoria. This year's conference will be centered around the powerful theme: "Building Bridges: Strengthening Collaborations in Crisis Intervention". The conference promises a dynamic and enriching experience, featuring a full lineup of inspiring speakers, interactive breakout sessions, engaging panel discussions and valuable networking opportunities. Highlights include sessions focused on hope, resilience, mental wellness, integrated crisis response teams and even the therapeutic presence of K-9 therapy dogs. We hope you can join us as we come together to share knowledge, foster partnerships and strengthen the collaborative efforts vital to effective crisis response.

Miscellaneous Recent and Upcoming Trainings or Certifications and Achievements:

- *For Other Entities:*

- ICAT – Board staff has been working with the ICAT team in Decatur as they were in need of professional actors for their ICAT training program and inquired if we could assist. I'm happy to report that we will be working/partnering with ICAT and the local MTU to assist them with their training needs.

CESSA:

Just a quick update to let you know that the CESSA statewide group continues to meet as well as the subcommittees. Progress is being made for implementation around the state; however, because of the enormous task at hand, a new legislative extension (via bill) has been submitted was approved to extend the deadline until July 2027. I will keep the Board apprised of substantive updates.

Along the same lines, the CESSA Training Subcommittee has approached the Board for assistance in creating an 8 hour in-person de-escalation course (including scenarios) for all PSAP's (public safety answering point). We are currently working on an Intergovernmental Agreement with the Department of Human Services to accomplish this task.

CIT International Conference:

"See Spot Serve: Incorporating Therapy Canines in Crisis Response Programming & Deployment:

I'm happy to report that the Board has again been selected as a break-out session by CIT International! This year our team of instructors, including the Director of Cook County's Tails of Redemption Program are presenting on law enforcement K-9 therapy dogs and our new statewide initiative. We are looking forward to presenting this innovative concept to officers, clinicians and the like from throughout the country later this summer in California.

Girls Lead Initiative:

I'm happy to report that Deputy Director Williams and I were selected to participate as mentors in the Lieutenant Governor's Office: Girls Lead Initiative. Cheryllynn and I recently hosted a high school freshman from the southern part of the state who is interested in leadership roles

women hold in state government and the impact they have on Illinois. Our mentee was able to partake in the ILETSEB-EI Women in Criminal Justice Conference as well as visit our office, speak with staff and conclude her three-day mentorship with a tour of the State Capitol. By participating in these events, the mentee was able to hear about policy issues that our office is working on and was as immersed as possible so that she can complete the required research paper. We thoroughly enjoyed our time and hope the program continues so that we may participate again next year.

CIT and Mental Health Awareness Training and Resource Institute:

As the Board has been offering the basic CIT training since 2003 and various off-shoots of mental health training including the CIT series, Mental Health Awareness and Response – and Intro to CIT, peer support pilot programs, officer wellness, etc. we are looking to the future to the possibility of creating a CIT and Mental Health Awareness Training & Resource Institute – perhaps in conjunction with the 988/CESSA roll out. It is really just a larger defined umbrella to the works we are already doing including but not limited to:

- CIT training series for in-service
- Intro to CIT training in academies (CIT Concepts)
- CIT resources
- MHA and Response Training and Resources
- Peer support training and resources (model policies and best practices)
- Support pilot programs on peer support
- Officer wellness training and resources
- Resources for families of law enforcement officers
- Co-responder model policy and best practices
- Therapy/Comfort dog assistance – Tails of Redemption (TOR) through the Cook County Sheriff's Office and Operation TT through the PBPA
- Add on training for social workers, paramedics, fire and additional courses for dispatch (as allowed)
- De-escalation training by CIT Instructors
- Provide opportunities for ICAT training
- Summits/conferences (may also assist with training mandates)
- Increase awareness of resources via first responder app
- Become a repository for best practices statewide
- Create a reporting mechanism (to assist with getting federal funds)
- Ongoing research and curriculum updates/development

Although we have not yet begun on this initiative, as soon as the Board retains additional staff to help support such an extensive resource platform, we will move forward with this concept.

Crisis Intervention Team (CIT): Advanced Petition Writing & Peer Support Strategies

Joe Carlson (patrol officer with the Palos Heights Police Department) and Rasul T. Freelain (retired sergeant formerly with the Oak Park Police Department) have combined their decades of lived experience as police and CIT officers, along with Freelain's skill as a department trainer, licensed teacher and curriculum designer, and Carlson's knowledge as a Field Training Officer (FTO) and Licensed Social Worker (LSW) to create a proposed eight (8) hour class entitled "Crisis Intervention Team (CIT): Advanced Petition Writing & Peer Support Strategies."

Advanced Petition Writing - AM Portion of Class from 0800-1200 hours

Students practice writing three (3) sets of petitions based upon police bodycam footage and real-world mental health crisis situations. The training is designed to help officers feel more confident and perform more effectively when faced with the prospect of detaining and transporting individuals experiencing a mental health crisis.

Peer-to-Peer Support Strategies - PM Portion of Class from 1300 to 1600 hours

A scenario-based training course where officers are compelled to push through their discomfort and hesitancy to intrude on a co-worker's visible struggles and practice talking directly to a peer who (in the scenario) is battling through crises such as alcohol abuse, dating problems, or gambling addiction.

Therapy Canine Draft Policy

Section 1720.X00 Purpose

To provide training for Certified Therapy Canine Response Teams.

Section 1720.X10 Definitions

"Act" means the Illinois Police Training Act [50 ILCS 705].

"Board" means the Illinois Law Enforcement Training and Standards Board created by the Illinois Police Training Act [50 ILCS 705].

"Course" means the Certified Therapy Crisis Responder Team Course offered by the Board pursuant to P.A. 104-XXX.

"Officer" means any individual who has been granted law enforcement or correctional certification, has completed a basic Crisis Intervention Team training, and who is employed in such capacity by any law enforcement agency in Illinois. The term "Officer" does not include any employee of the Illinois State Police.

"Civilian co-responder" means an individual, who is not a law enforcement Officer, who has a background in social work, clinical mental health applications, or crisis intervention coordination, and who is employed by, or volunteers with, a law enforcement agency to provide crisis response services with law enforcement Officers.

"Certified Therapy Crisis Response Team" means a canine that has completed basic obedience school and a basic therapy program recognized by the American Kennel Club (AKC) along with a handler who is either a) a law enforcement Officer who has completed the basic Crisis Intervention Team training course, or b) a Civilian co-responder.

Section 1720.X20 Certified Therapy Crisis Response Team Course

- a) The content of the Course shall be determined by the Board and shall include, but not be limited to, the following topics:
 - 1) An overview of canine responsiveness and control;
 - 2) An overview of sit and stay commands;
 - 3) An overview of down, stay, and recall commands;
 - 4) Tolerance for undergoing a physical examination;

- 5) An overview of supervised separation; and,
- 6) An overview of specialized crisis response tactics.
- b) At the conclusion of the course, an evaluation will be conducted by a trainer approved by the Board. The evaluation will consist of scenario exercises in which the six areas above will be assessed. Satisfactory performance in all areas must be demonstrated to complete the course and attain certification.
- c) The Course shall include at least eight hours of content and those hours must be offered within no greater than a two consecutive day period.
- d) The Course shall be taught by instructors and evaluators approved by the Board.
- e) The timing and location of Course offerings shall be determined at the discretion of the Board, but the Course shall be offered within the state of Illinois in a manner that provides reasonable access to Officers in terms of time of year.

Section 1720.X30 Certificate

- a) Officers and Civilian co-responders who complete the Course or receive a waiver shall be issued a numbered certificate by the Board.
- b) The certificate issued by the Board upon completion of the Course shall be valid for a period of two years and must be renewed to remain valid.
- c) Prior to receiving a certification, a background check will be performed for each candidate Officer and Civilian co-responder to ensure that they are free of any criminal history or other incidents that would hinder their ability to serve in crisis response situations.

Section 1720.X40 Certificate Renewal

- a) The certificate issued by the Board may be renewed if a satisfactory background investigation has been performed by the Board, and the Officer or Civilian co-responder is in compliance with all other requirements of the Act , and the Officer or Civilian co-responder completes at least 8 hours of Board-approved canine response training during the certification period.
- b) Any application for certification renewal must be sent from the chief administrator of the law enforcement agency employing the Officer or Civilian co-responder.
- c) If the Officer or Civilian co-responder has not completed the Board-approved training within the certification period, the Officer or Civilian co-responder shall be required to complete the CTCRC course in order to renew their certificate.

Section 1720.X50 Mutual Aid Registry

- a) Crisis response therapy canine teams have been found to be extremely beneficial in times of community crisis.
- b) Upon certification, teams may elect to be included on the Board's registry of available crisis response teams to be deployed in certain situations.
- c) The Board shall maintain a system of receiving calls for service and coordinating with local providers to arrange for the arrival and use of certified therapy canine response teams as needed.
- d) Teams on this registry must complete the course and assessment of this part at least annually to remain available for deployment.

SCHOOL RESOURCE OFFICER (SRO) PROGRAM

June 2025 Quarterly Board Report

Barbara Wood, Manager of Specialized Programs

In the wake of multiple school tragedies, the Illinois General Assembly addressed the use of police personnel within the school setting by passing PA 100-984 in Spring of 2018. Beginning January 1, 2021 any officer serving in the role of School Resource Officer (SRO) must obtain a certificate by the Illinois Law Enforcement Training and Standards Board ("Board"). These SRO certificates are good for two (2) years before an officer/agency must reapply. Officers serving as SRO's must either complete specialized training developed through ILETSB and other stakeholders or attain a waiver by the Board. To date since January 2021, the Board has provided a total of approximately 1050 new certificates to SROs throughout the state. Within the 3rd quarter the Board office processed approximately 75 new requests for certification and 70 requests for recertification.

As a reminder, Initial SRO Certification and SRO Recertification forms are available on the Board's website. Information on courses as related to SRO certification/waivers and SRO recertification are also listed on the Board's website.

STATE CERTIFIED CRASH RECONSTRUCTION SPECIALIST PROGRAM

June 2025 Quarterly Board Report

Barbara Wood, Manager of Specialized Programs

In September 1986 the Illinois Law Enforcement Training & Standards Board adopted a formal Crash Reconstruction program, in order to validate the professional expertise of individuals engaging in crash reconstruction in Illinois.

This program requires that an applicant complete specific training programs from vendors that are certified by the Board. Upon completion of these courses an application is submitted to Board staff for review. If the application is approved, the applicant is required to take and pass all three parts of a state exam with a score of 70% or better. Finally, upon recommendation of the Manager of Specialized Programs the individuals will be approved for certification by the Board.

Board staff did not have any individuals sit for the Crash Reconstruction Specialist certification exam within the 3rd quarter of FY25.

INFORMATION SERVICES

June 2025 Quarterly Board Report

Data Services:

Efforts are currently underway to build-out IETSB's existing Data-Storage – This Project will provide the necessary space for Evidentiary Submissions, Legal Hearing Recordings and Document Digitalization. Implementation is anticipated to begin Mid-June and complete end of July. The expansion will Quintuple ILETSB's Digital Storage Capacity - Additional Servers will continue to be established to suit the changing operational needs of ILETSB Network Services – The process of creating new Public-Facing Servers Web and Database Services continues with focus being on individualized services - Directory Service restructuring is ongoing to streamline data collaboration and logistical availability –Data Mapping is reviewed regularly to provide the most efficient back-up and restore capabilities in the event of catastrophic failure or Data compromise – With the implementation of the Data Expansion, future efforts will allow Back-Up Services to provide real-time synchronization and preservation of ILETSB Databanks

Chicago Office:

Several projects are underway to update and build-out the ILETSB Chicago Office

- ILETSB has been working with CMS on the Camera & Badging project for Two-Plus Years and are finally seeing some signs of progress - The next phase of the Project is with CMS Project Management and expecting implementation will begin in the very near future
- Two Testing and Meeting Rooms are under review for additional Audio-Visual Hardware to accommodate the needs for Presentations, Training, Testing & Hearing Requirements - ILETSB is working in conjunction with DoIT Services for fulfillment
- Cellular Extenders are to be installed at the facility to enhance Telecom Services for Staff and Guests
- Emergency 911 VoIP Services will be incorporated into the existing Service to enhance the response and location services of first responders
- Wireless Access Points have been deployed in both the Gym and Cafeteria areas for additional coverage
- Additionally, Wireless Access points were incorporated into the Online Testing Carts to support the OLT Network
- Several Workspaces have been established to accommodate In-House and Remote Employees to conduct their daily work activities

Emergency Event Notification System:

Current efforts are underway to incorporate an advanced Emergency Notification System to provide Staff, both In-House and Remote, with real-time alerts regarding emergency events, safety concerns and weather-related issues - These notifications will be provided via Audible

Broadcast, Cellular and eMail Services - The project is currently in-process of acquisition and is slated for implementation 1st Quarter Fiscal Year 2026

ILETSB In-House Applications:

Steering Committee meetings are conducted on a weekly basis with pertinent ILETSB Division Personnel for opportunity to provide input of functionality improvements, necessary modifications and reporting provisions of the applications - Next Wave Modifications have been identified, prioritized and are currently in the process of development

Legal Hearing System Portal:

This System will be utilized for tracking and storing the documentation of hearings pertaining to Officer reactivation and decertification – Development and implementation of the new Application for ILETSB's Legal Division is for the most part complete– Anticipated go-live of the Portal is currently slated early Fiscal Year 2026

LETM:

Law Enforcement Training Management (LETM) development is in-process with weekly Meetings and Development – The application is undergoing a full review, and necessary modifications and improvements are being identified and developed– A recent modification to allow Training Entities to self-import their Training Records has been incorporated, which will provide the Data in a more expeditious and real-time manner - Through the efforts of review and development, a full re-write of the application is being conducted and is slated to complete 2nd/3rd quarter of Fiscal Year 2026

PTB/LEDI:

PTB is utilized internally to provide records management to ILETSB Staff in the areas of basic training, specialized certification, Professional Conduct records, and data reports for officers and agencies - LEDI serves as an agency records submission portal, while assisting agencies in reviewing and maintaining compliance with legal requirements to ILETSB mandates - Development of the application has resumed with the most recent addition of the Form S set to go live on 05/20/2025 - Further development and improvements are on-going

Officer Portal:

Enables Officers to review their own Law Enforcement Records and Requirements – With the integration of the Professional Conduct Database individuals are afforded the opportunity to review and respond to Professional Conduct Reports Electronically – As of 04/01/2025 Mandate Expiration notices are sent weekly to Officers to provide advance notice of Mandates that will expire within 60-days - Hard Copy notifications regarding training, certification status and complaints are provided in direct correspondence to the officer's home mailing address - The Officer Portal now supports more than 23,000 Law Enforcement Officers throughout the State of Illinois - Developmental review of the Portal is on-going in conjunction with the PTB-LEDI application.

IT Help Desk Staffing:

ILETSB Human Resources is in-process of Posting for Two Information Services Help Desk Positions - These positions will supplement the services of current IS Staff and enhance the technical needs and requests of ILETSB Staff

On-Line Testing:

Digital On-Line Testing Services for State-Wide Law Enforcement entities and individuals continues with success and acceptance by Testing Entities, Candidates and ILETSB Staff – Testing locations have expanded beyond the ILETSB Chicago and Springfield Offices to include our Partner MTUs and Academy Facilities -These additions have provided Candidates with opportunity for convenient On-Line Testing based on proximity to their Training Locations - With over 500 Tests conducted successfully in April, all future Testing will be provided On-Line as of June 1st 2025

Network & Security Services:

Current efforts are underway to upgrade the Board's FireWall and enhance Staff VPN Services – Progress continues in implementing Microsoft's Enterprise Configuration Management (ECM) Services and Cisco's Identity Services Engine (ISE) Management Software – Both ECM and ISE have improved technical services, structure and reliability, while providing insight into the network, digital traffic and potential vulnerabilities – MCM will be designed to create hardware inventory reports and software distribution to Staff Systems and ILETSB Servers – 70% of all ILETSB Staff Systems have upgraded to Windows 11 to replace Windows 10, which will no longer be supported by Microsoft in October of 2025 - To prevent potential Account Lockouts and access issues, eMail Notifications are provided to Staff 5-Days in advance of Password Expirations to allow updating their Credentials in a timely manner - Regular Penetration Scanning for potential vulnerabilities of public-facing network and web services continues for awareness of potential network security vulnerabilities

Disaster Recovery/Contingency Planning:

Information Services is conducting a review of its current Disaster Recovery Plan (DRP) - In the event of Catastrophic Failure or Cyber-Compromised Events, future protocols will include the synchronous data integration of the Springfield and Chicago Offices for redundancy and Off-Site Storage of data preservation and restoration – This phase of the Project will complete post-implementation of the ILETSB Storage Expansion -Updated redundant Power Supply Services are slated to be implemented in the Chicago Office to offer a more reliable provision of power to essential Network and Data Services in the event of a power-loss

Evidentiary Video Submissions Repository:

Planning is underway to establish a secure, readily accessible and expandable digital environment apart from Board Data to accommodate the ever-growing number of Digital Video Submissions provided by Municipal, County and State Entities for storage, availability and preservation – To be completed post implementation of the ILETSB Storage Expansion

Document-Archiving:

Digital scanning and storage of ILETSB "Hard-Copy" Files for data preservation and archival retrieval purposes – In-process of planning and consideration of potential solutions and vendors – To be completed post implementation of the ILETSB Storage Expansion
